Because when we work hand in hand, we can change lives

*Let's help people like him reach*

*their full potential*

At SKETCH Volunteers are appreciated. Our new campaign sets out to show how much of a difference volunteers can make in the lives of young people. SKETCH's main goal is to inspire 16-29 year olds to embrace art in their lives. You don't need to be an artist to be a volunteer though. We also need people to help organize, host and run our many events. Our space on King West also needs volunteers to keep it up and running. SKETCH uses art to inspire, promote leadership, and to promote economic and social change in the lives of youth.

Here at SKETCH we believe that the imagination of youth is a catalyst for social change and in volunteering, you help to provide the space for their imaginations to run wild. Art is what art is allowed to be. If it is only left to be in a dream of a kid living on the streets, that's all it will be. Help art become a catalyst in someone's life. Work hand in hand with us to give art a chance.

We have four kinds of volunteers!

- Support Volunteers
- Artist Volunteer
- Intern
- Placement

This guarantees that at SKETCH your help will ALWAYS be welcomed and appreciated!
